**PANCAKE BREAKFAST Sat. Mar. 3, 10:00 am—1:00 pm**

## President's Report

Things are looking up!

Now that the kitchen has been remodeled and the kitchen sink drains have been connected to the septic system, things are looking up for the LIC. A big thank you goes out to Bruce Jeglum, Jim Lemon, Peg Bingham, and the others that brought the remodel in on budget. If you haven't seen the new kitchen, including the new stove, be sure to take a look when you come to the Pancake Breakfast/Brunch on March 3<sup>rd</sup>. More information can be found in this newsletter.

Thanks to all who have paid their moorage on time. If you haven't paid yet, please at least pay for the first quarter so you can keep your slip. Interest in moorage usually picks up this time of year, so let us know if you are not going to retain your slip. The marina needs electrical work that will cost us some money, so the payments are much appreciated.

Sharon Gearhart worked with the heating contractor that installed the new forced-air furnace for the kitchen/meeting room to get needed fixes to the ductwork so that the space can be adequately heated without a larger furnace. Nice going, Sharon.

There are plenty of things that the LIC needs done for spring cleanup and marina fix up and maintenance. Contact any Board member, Lynn Carr, or Sharon Gearhart to help out.

Thanks to "Buck" Buckner for finding a working freezer for the ice at the Marina. Buck not only found it, but cleaned it up and delivered it to the Marina (with a little help from his friends), all for free!! Also, thanks to our Historian, Lynn Larson, who has completed two years worth of notebooks. You can browse through the notebooks when you're at the LIC Clubhouse. They are on the shelf. More notebooks to follow, so get your historical photos, articles, and whatever else has historical value to Lynn.

## Emergency Preparedness Seminar at the LIC

Don't forget, at 7:00 PM on the evening of Thursday, March 29, there will be a two-hour emergency preparedness seminar at the LIC Clubhouse. The seminar will be presented by Mary Blythe, a Program Special Assistant with the Homeland Security Emergency Management Program at Pierce College (and also a member of the Key Peninsula Community Council). This event is open to the public and will be advertised in the Key Peninsula News. Make sure to put this one on your calendar, and don't forget to invite your friends.

**LONGBRANCH IMPROVEMENT CLUB  
GENERAL MEETING MINUTES  
FEBRUARY 15, 2012**

**BOARD MEMBERS PRESENT:** Geoff Baillie, Randy Babich, Jan Prichard, "CC" Williams

**CONTRACTORS PRESENT:** Lynn Carr

The meeting was called to order at 7:10 by President Geoff Baillie.

**ANNOUNCEMENTS:** Marlies Van Cise announced that she is taking a group to Iceland in September and invited anyone interested to contact her. Tim Heitzman announced that we are raising money for our kitchen so we can buy a new refrigerator. Four raffle baskets donated by Christine Tritt were on display and raffle tickets are \$2 each. The "coffee basket" will be raffled off at the meeting, and the other three at the Pancake Breakfast on March 3<sup>rd</sup>. The Pancake Breakfast is "all-you-can-eat", drinks are no-host. Contributions to help fund the kitchen makeover will be gratefully accepted. Geoff directed everyone's attention to the new stove and counter which were recently installed. Geoff presented Mary Mazur with her Lifetime Award certificate.

**SPEAKER:** Geoff introduced member Mike Hayes, President of the Key Peninsula Parks & Recreation Foundation, which exists to raise money for the Parks District and to preserve the areas timber lands. The Foundation is a 501c3 charity and has a six member Board of local people. In an effort to preserve our forested land, the foundation is working on different ways they can help landowners in need of funds to find alternatives to clear cutting. They have access to trusted independent legal and financial advisers who can also assist with setting up a land/asset donation, a charitable remainder trust or a lifetime estate. Though the Foundation is very new people are already responding to their mission and have donated over \$10,000. Mike invited everyone to let people know about the Foundation and its mission. You can go to their website for information or to become a member: [www.keypenparksfoundation.org](http://www.keypenparksfoundation.org). You can also contact them by phone: (253) 220-5090.

**SECRETARY:** Jan Prichard, Secretary, asked for approval of November's minutes. A motion was made, seconded and approved. She also asked the members to pick up a calendar of events.

**TREASURER:** Francie Carr, Treasurer, was absent but left a written report as follows: **Revenue:** Members are paying their moorage dues. There are several checks dated January 31 that will be deposited next week. Winter moorage revenue is ahead of the projected budget. **Expenses:** The building fuel bill was far more than expected for January. The liquor permit for twelve events has been purchased. The down payment for the fall Shibori Workshop has been sent. The 2010 and 2011 interest payments for all promissory notes have been mailed.

**MEMBERSHIP:** "CC" Williams, Membership Chair, Reported that we have 196 members including 26 Lifetime Members. Please let her know about any hours you've put in for the Club so she can keep current records.

**BUILDING AND GROUNDS:** Sharon Gearhart, Building and Grounds Chair, was absent but left a written report. The old kitchen has been renovated with a new stove and wood counter with a stainless steel top. Many thanks to the membership for voting to fund the new stove and counter, to Peg Bingham for coordinating and cleaning, to Bruce Jeglum and Jim Lemon for designing and building the counter and to Lynn Carr for procuring the countertop. Many volunteer hours were donated to make this project happen. The gray water system has been fixed and thanks goes to Geoff for knowing the right people to get the job done. Sharon asks that kitchen helpers go easy on our aged septic system by scraping all dishes thoroughly before rinsing them and putting them in the sanitizer. The winter storm did not damage the building, but did quite a bit of damage to trees. Bill Lloyd and Doug Lewis did a lot of outdoor cleanup. There are still limbs to be cleaned up in the back if anyone is looking for volunteer hours and has a chainsaw. The new furnace in the meeting room was not doing an adequate job and Kohler came in and sealed leaks and cracks and added a new vent and vent covers which has helped tremendously. Sharon would like to restore the horseshoe pits and would like to hear from anyone willing to help with that in the Spring. Please call her at 884-3890. There will be building and grounds cleanup the end of March or the beginning of April and she will be posting a list of needed tasks in the newsletter.

**GENERAL MEETING MINUTES**  
**FEBRUARY 15, 2012**  
**(continued from page 2)**

**MARINA COMMITTEE:** Randy Babich, Marina Committee Chair, reported that, after a good deal of research by Pat Muchmore, they have decided to do five wine tastings with cheese and crackers at the dock this summer. The hope is to lure in yacht clubs and possible make a little money. There is a broken conduit at the dock, some of which is five feet under the water. There are five options to choose from at a great range of price. He will be polling the marina committee and the Board to come up with the preferred solution so that the electrician can begin work. Randy also urged boaters to pay their moorage fees if they haven't already done so. There are around 27 applicants totaling \$1.5 million in funding requests for marina pump outs/restrooms and only \$300,000 is available. The Wi-Fi is now working thanks to Denny Prichard. All the marina signs have been put up. Bill Buckner has donated a small chest freezer and the large ice freezer currently on the dock will be going to Tacoma to be put up for auction.

**EVENTS:** Carolyn Wiley passed around a sign-up sheet for folks who would be willing to clean up after the Pancake Breakfast on Saturday March 3<sup>rd</sup>. Anyone who wishes to work in the kitchen must have a food workers card from the Tacoma/Pierce County Health Department which can be obtained online. On March 31<sup>st</sup>, the Friends of the Key Center Library are sponsoring the Taiko Drummers who will be performing at the LIC. There will also be art and origami demonstrations and hands-on opportunities. Liquor permits and event permits have all been purchased and all written so that minors can attend all LIC functions.

Denny Prichard talked about the Garage Sale on April 14. Members can purchase indoor space for \$20 or outdoor space for \$15 to sell items for their own profit. Members are also encouraged to donate items for the LIC to sell. There will also be a Baked Food Sale and Shirley Brewer is in charge of that. Members are encouraged to bake as many items as they like as long as the items need no refrigeration. Contact Shirley Brewer at 884-0787. Baked goods may be dropped off Saturday morning between 7:30 and 8:45 a.m. on April 14<sup>th</sup>. Donated items can be dropped off at the LIC on Thursday and Friday, April 12<sup>th</sup> and 13<sup>th</sup> between 3 and 8 p.m. If you need your donations picked up, call Prichard's at 884-2030. Volunteers are needed for the Garage Sale and signup sheets were passed around.

Geoff announced that Vicki Biggs is our new Sunshine Lady.

**HISTORIAN:** Lynn Larson, LIC Historian, presented two notebooks she has finished for the years 2010 and 2011. She will be maintaining the LIC archives and will continue to put together yearly notebooks. She thanked members who have contributed information and photos and encouraged members to continue to submit articles and photos and let her know the photographers names so she can give them credit. She would like help with organizing photos received on electronic media. She does not use Facebook so asks that people put photos on a CD instead. Eloise Colbert is our new Office Volunteer. She has started inventorying everything in the file cabinets and putting it all on a spread sheet. Lynn will be interviewing some of our long-time members and former members and Vicki Biggs will help transcribe those interviews.

**NEW BUSINESS:** Andy Gano presented an idea for reciprocal moorage between yacht clubs and the LIC Marina. Andy is a past Commodore of the Carling Yacht Club and in 2006 he floated the idea of members coming to Longbranch, paying for their moorage and then billing the yacht club for the amount. His goal is to get other Yacht Clubs who don't have reciprocal moorage to offer it and so get more boats to come into Longbranch.

**OTHER BUSINESS:** Ann Dearing brought up the need to cut the ivy choking our trees. Geoff asked her to set up a work party and we will make it happen. Marlies Van Cise noticed that our General meeting in November is the night before Thanksgiving. We will look into the possibility of changing it. "CC" Williams announced that KeyFest could use some LIC volunteers and to contact her if you can help. Tim Heitzman announced that the Croquet Tournament is the following weekend and will benefit the Vaughn Civic Center. Volunteers and players are welcome and should contact Tim. The Two Waters Arts Alliance's "Spring Fling" is March 10<sup>th</sup> at the Vaughn Civic Center and we are encouraged to support them by attending.

Nancy Carr announced that she is having a hard time sending out the LIC Newsletter as email providers are making it difficult to send out such large files to so many recipients. She would like to try posting the newsletter to the LIC website instead at [www.longbranchimprovementclub.org](http://www.longbranchimprovementclub.org). It will be posted both in color and in a black and white

(continued from Page 3)

printer-friendly version. She would like feedback from the membership on how this is working for them. Members who don't have computer access will continue to get the newsletter mailed through the post office.

Doug Lewis would like members to keep Kids and Christmas in mind and be thinking about ways they can help.

The raffle drawing for the "coffee basket" was won by Barbara Van Bogart.

Peg Bingham announced that they found a ring under the old cabinet when they took it out. They are having it appraised. Two other rings have been found on LIC property in the recent past and all will be used to raise money for the Club.

The meeting was adjourned at 8:05 p.m.

Respectfully Submitted,

Janice Prichard  
Secretary

## No Beyond the Borders for 2012

For the past 5 years the Two Waters Arts Alliance and the Longbranch Improvement Club have partnered to present Beyond the Borders, an international music festival and celebration of local artists.

Because it is family-oriented, free to the public, a celebration of local artists' work, and presents quality musical performers representing all parts of the globe, this event has been one of the highlights of the work each of our organizations undertakes.

Thus, it is with great regret that we inform the community that TWAA and the LIC currently lack the resources to support Beyond the Borders in 2012. Because our first responsibility is to our donors and supporters, we are, unfortunately, not in a position to undertake such an expense this year.

We wish to thank our past and present board members and the many other volunteers who made this event so successful. Special thanks go to Mark Runions, who has spearheaded Beyond the Borders and without whose expertise and energy these past 5 years this event would not have happened.

We look forward to Beyond the Borders returning when resources permit.

The best \$2 I have recently spent happened at the February LIC monthly meeting. Lined up on a table were four attractive baskets filled with goodies that **anyone** would want. Three of the baskets will be raffled off at the March 3 Pancake Breakfast at the LIC from 10 – 1, and the fourth basket was to be raffled off that evening. Taking \$6 from my purse, I "spent" two tickets on two of the future raffle baskets and one ticket on that evening's basket. Lucky me! I won the raffle and brought home a lovely basket containing two travel coffee cups, a box of Via vanilla flavored instant coffee (from Starbucks), a handmade tote bag, and six little bottles of liquor to add to evening coffee! What a score!! And just think, there are three more baskets to be raffled off at the Pancake Breakfast... one of those might be yours, but you need to buy a ticket (or ten).

Good luck!
