

LONGBRANCH IMPROVEMENT CLUB

“For the Betterment of the Community”

Serving Longbranch and the South Key Peninsula since 1921

Thank you for your interest in the Longbranch Improvement Club (LIC). For nearly a century the LIC has been a foundation of life on the south Key Peninsula: supporting our schools and students; aiding social and charitable agencies; entertaining with dances, concerts, and speakers; and preserving both our historic Mosquito Fleet-era marina and magnificent LIC building. The LIC is the front room of our community where friends and neighbors gather to exchange news, views and information. Your participation and interest are heartily welcomed. Please come join us.

The LIC offers three basic memberships: REGULAR, ASSOCIATE and FRIEND

REGULAR Membership requirements are:
