FOR THE BETTERMENT OF THE COMMUNITY

JULY 2022

NEXT MEMBERS MEETING: JULY 20, 2022 6:30PM – DETAILS TO FOLLOW

President's Message

Okay, we've had a little bit of warmth in the last couple of weeks, but this is the coldest start to the summer and the coldest spring we've had in over 70 years. And now we're looking at a drizzly 4th of July. Just sayin.' Fingers crossed for more sun ahead.

We went through 50 burgers, and I don't know how many pounds of chicken at our big membership meeting on June 15. The side dishes members brought were also spectacular.

Two big things took place at this meeting. We voted in several new board members and approved the LIC's new Five-Year Plan to guide our organization through June of 2027.

For the 2022-23 board year our new board officers are:

Xoe Frederich:	Secretary
Les Foss:	Events Chair
Chris Wright:	Building & Grounds Chair
Vice President:	Temporarily held by Jim Hettinger – and we're still looking!

We've learned that some of our most active LIC volunteers are associate members, so the board approved associate member Xoe Fredrick to the Secretary position with this in mind. If you're an associate or regular member and would consider being the LIC's

Vice President, just reach out to me or someone on the board.

And why would you consider this? Because the LIC's doing great things. As part of the 5-Year Plan, the membership approved that the LIC focus on promoting our five great areas – our forested trails, the new Centennial Garden, our field, the historic clubhouse and the marina. We also committed to providing more social and learning opportunities for members and greatly increasing our marketing.

President's Message (continued)

With the introduction of TGIF, we have also introduced our biggest new membership vehicle. Each month, we sign up multiple new members at the TGIF event alone. And TGIF has been popular enough that the KP Civic Center hosted their first TGIS (Saturday) on June 25. I attended – and had a great time.

Some key July events to hold on your calendar:

- ★ July 2 – Thirsty Thursday at the marina (every Thursday evening through Labor Day)
- ★ July 15 – TGIF at the LIC
- ★ July 16 & 17 – Marina Days Centennial Celebration at the LIC Marina with the Virginia V
- ★ July 20 – Membership meeting
- ★ July 30 – Monthly TGIS at Key Peninsula Civic Center (LIC members welcome)

I'm hoping to see many of you at one of our July events – especially Marina Days which will include a choice of opportunities: lunch and a cruise on the Virginia V, an evening party on the Virginia V, and a dock party and celebration on Sunday the 17th. Tickets for all events are on the website.

Warmly,
Kelly Guenther

Lynn Carr passed away Friday, June 24. He was an active member of the LIC as Building & Grounds Chair and Dock Master until diagnosed with Cancer in 2015. He gave as good a fight as he was able. I want to thank the members of the LIC for the flowers, cards, and messages along with offers of help. Your thoughts and prayers are very much appreciated. A big 'Thank You' to our LIC friends.

Happy summer to everyone!

I know that most of us regularly turn our faces towards the sky beginning in May with the hope of seeing a shining orb free of cloud cover, ready to warm our bones and the earth in Longbranch. Though it didn't really happen as expected, we still hope!

At the end of May, before heading out on a long road trip, I planted some vegetables in my garden. As we drove back home and pulled up to our house I was filled with anticipation about the status of my plants. Inside I found three mounds which had held healthy starts – bare. My tomatoes looked anemic and practically begged to be sent to a warmer climate. With a deep sigh and some disappointment, I knew that this is simply how gardening can be. I assessed what should be done to minimize the damage and knew that no matter what the outcome, I was still in the game and would continue to nurture my desire for a thriving space.

And that's life, isn't it? We have a plan, set out to do good work, but sometimes things take a wrong turn or don't turn out as planned. Still, we continue on our path and make some adjustments.

The Longbranch Foundation board, with help from LIC members and the KP community, continues to do mission-driven work that benefits the KP. As of June 30th, three of our board members will "retire" from the board: Marsha Kremen, David Zeigler and Marcia Harris. All three have given many, many hours of their time and energy to make the KP a stronger community. Sheryl Low has served the LIC and TLF as secretary and is stepping down from those roles, but fortunately continuing to serve on TLF's board. Thank you all for your work and commitment to the KP.

To state the obvious, doing community work requires community. When we work together things get done and the place where we live is better for our efforts and we are better too.

One of TLF's final mini – grants for the school year went to support KPMS 8th graders end of year celebration and moving on ceremony. One of the application questions is for the applying teacher(s) to explain their proposal and benefits to the students:

"In sending students to Miracle Ranch, I am hopeful that we are providing access to experiences that are new to many of our students. The opportunity for these students to be together, away from school, participating in new activities, building camaraderie, and socializing with each other will make memories that these kids can hold onto-possibly for a lifetime. It's time to celebrate and send off these hard-working students who have demonstrated their flexibility, their resilience, and their determination, as they worked through the pandemic and prepared themselves for moving onto high school."

A few of the students' quotes from the day:

"The rock wall was super cool and the people running it were supportive."

"I'm proud I tried the terrifying rock wall even though I only made it 1/2 way up."

"It was a good place to try things you don't normally do. I tried archery and I actually liked it."

"The canoeing was so much fun; it was more private and quieter to hang with friends."

I look forward to the KP community activities this summer beginning with Marina Days and the Virginia V arriving in Fliucy Bay, the TWAA Art Walk and the Centennial Weekend!
